### **Matters arising**

The Mobile Movie had been held on 10th February, it had been a free night but only 40 people had attended John Atkinson CAVOS Development Officer attended the meeting re: funding. He gave us some contacts - B&Q (You Can Do It awards) and several more, to be looked at (stock only) He discussed toilets of the disabled. Mr Dodds said the last quote we had had was in the region of £10,000, not any use to us as we are short of money. Mr Atkinson said he would contact the Estates & Valuation Department at Sedgfield Borough about this (but we haven't as yet heard anything more)

The Roofer has finished the storm damage work and has been paid £940.00. A joiner will repair the ceiling of the Hall and Side Room on 18/02/05.

The field has been left in a most unsatisfactory state by the contractors with water laying, stones and poor top soil. The Dog Club was making enquiries about using field (but unfortunately they can't yet?)

Mrs Drew would be asked to write to Cornforth House.

Mrs J Stephenson had been trying to get more quotes for insurance but none, including Ladbrookes who didn't reply to the many forms filled in, were forthcoming. It was decided to say with Zurich Insurers and we would pay by instalments

### **Correspondence**

We had received a letter from Mr Stenhouse applying for a job as caretaker but we have no such job available.

### **Other business**

There was no other business.

Mrs D Stephenson closed the meeting at 7.30pm. Next meeting is the Annual General Meeting 7.00pm, 16th March 2005
