#Precept Meeting

Parish Council meetings are open to the public. Time is available at the beginning of the meeting for public participation.

The Council does have the power to exclude the public from part of a meeting if it judges that publicity would be prejudicial to the public interest because of the confidential nature of the business to be transacted, but this happens very, very rarely. In practice, you're very welcome to attend Cornforth Parish Council meetings. Come along and find out what your Parish Council is doing for Cornforth.

The meeting agenda is displayed in Cornforth House three days prior to each meeting. Minutes of past meetings are available from Cornforth Library.
